

Property Tax: Steady-State Comparison

All property-tax revenue is rebated equally to households.

	Annual tax: 1%	Annual tax: 2%
Households	100.0	101.8
Total housing services	100.0	100.7
Housing services per household	100.0	98.9
House price	100.0	101.2
Rent per unit of housing	100.0	125.6
Homeownership (percent)	82.7	82.1

More households, but less housing per household.

Steady states at the same post-decline fertility preferences; balanced pensions.

Quantity and price indices: 1% tax = 100. Homeownership is in percent.
